My Prayer

- I must be mistaken
- Took a left instead of a right!
- I'm not a scientist I'm an EDUCATOR

I wanted OUT!

MediaAngels.com

The Incident

MediaAngels.com

Why would anyone do this?

- Very expensive card
- Took the time to print them out
- Had every intention of slamming Christianity
- WHY???
- I found out ...

MediaAngels.com

When I opened the card ...

"There is something fishy and a little contemptible about a man who cannot face the perils of life without the help of comfortable myths. Almost invariably some part of life is easier than they are myths and that he believes them only because they are comforting. But he dares not face his thought without, since he is aware, however dimly, that his opinions are not rational, he becomes furious when they are disputed." "These people whose intelligence is much above the average are, nevertheless, openly or secretly aggressive."

— Bernard Russell

The idea of a god implies the abdication of human reason and justice; it is the most despicable negation of human liberty and necessarily ends in the enslavement of mankind both in theory and in practice. He who dares to worship a God Must harbor no childish illusions about the matter but bravely recognize his liberty and his humanity.

— Mikhail Bakunin (1814-76)

Inside of the Card

MediaAngels.com

"There is something feeble and a little contemptible about a man who cannot face the perils of life without the help of comfortable myths. Almost inevitably some part of him is aware that they are myths and that he believes them only because they are comforting. But he dares not face this thought! Moreover, since he is aware, however dimly, that his opinions are not rational, he becomes furious when they are disputed." ... "Most people, whose intelligence is much above the average are, nowadays, openly or secretly agnostic."

Bertrand Russell

The idea of a god implies the abdication of human reason and justice; it is the most decisive negation of human liberty and necessarily ends in the enslavement of mankind both in theory and in practice.

He who desires to worship a God Must harbor no childish illusions about the matter but bravely renounce his liberty and his humanity.

Mikhail Bakunin (1814-76).

Who is Bertrand Russell?

- British philosopher of the 20th century
- Born to an aristocratic family
- Historian and social critic
- Considered the founder of analytic philosophy
- Anti-war activist

MediaAngels.com

Who is Mikhail Bakunin?

- A Russian revolutionary
- Father of the anarchist theory
 - Anarchism does not offer a fixed body of doctrine from a single particular world view, instead fluxing and flowing as a philosophy.
- "Everything that exists is rational"
