

Nothing too Hard for our God

God has given us the tools

- His Creation Inspires
- His Word is the foundation

Why Explore?

- Independent thinkers
- Seek truth
- Recognize the fingerprints of the Creator
- Familiarity lends knowledge
- Knowledge lends confidence
- Confidence adds strength
- Stand for truth

How to Explore?

Don't have to be super mom

Don't have to have experience in outdoor exploration

Just need a willing heart and a keen eye to focus in on the details

Local parks or trails can become a grand adventure

Focus – look small, then smaller still

Slow down & look closely at the details in God's Creation = you begin to discover the fingerprints

Exploring Creation

- Doesn't have to be fancy
- Inexpensive microscope
- Homemade bug collection
- Packing tape for slides
- Labels
- Notebook to catalogue
- Chunk of Styrofoam
- Toothpicks
- Up-cycled box for storage

Excitement factor:

- Headlamps
- Props
- Costumes
